

REUNION 2022

FREQUENTLY ASKED QUESTIONS (FAQs)

We've put together some basic information, based on what we've been asked in the past, which we hope you'll find useful. If you can't find what you need here, please email reunions@uwcatlanticexperience.com and we'd be happy to help further.

TICKETS

When will tickets go on sale?

Tickets will be available to book from www.uwcatlanticexperience.com from January 2022.

Is there a cut off date for booking?

Booking for all reunion weekends strictly closes on Friday 29th April 2022. We hope you can understand with three reunion weekends to plan, we cannot extend this booking deadline.

Accommodation onsite is limited and often is fully booked at the time of reunion, so we recommend if you plan to stay on campus to book as soon as possible to avoid disappointment.

What is the cost of tickets?

Please find our pricing structure [here](#)

Has the cost of the tickets increased?

The reunion ticket has not increased more than £20 per year. Despite increases in costs, particularly in the hospitality industry since COVID and Brexit, we aim to keep the price increase as minimal as possible year on year. Compared to the last reunion in 2019, the cost of a child's ticket has been reduced to encourage more families to attend the reunion.

Can I get a refund on my ticket if I change my mind?

If you would like to cancel your booking, you are entitled to a refund until 31 March 2022 but the charges that Eventbrite takes for processing the ticket will not be refunded. After 31 March 2022, unfortunately, we will not be able to issue a refund. This is with exception to COVID which is covered below.

What are the eventbrite fees for cancellations?

Eventbrite fees are set by Eventbrite and are out of our control. Their fees are as follows:

Adult residential reunion ticket - £17.09

Adult camping reunion ticket - £13.79

Adult offsite reunion ticket - £10.49
Child residential reunion ticket - £8.51
Child camping reunion ticket - £5.87
Child offsite reunion ticket - £3.89
Gala Dinner ticket - £3.89

What types of tickets are available?

Tickets are essentially broken down into the following categories:

- Reunion weekend ticket including accommodation
Includes meals (excluding Gala Dinner), activities and bed in shared dorm
- Reunion weekend ticket including camping onsite
Includes meals (excluding Gala Dinner), activities and a camping pitch - no camping equipment is provided
- Reunion weekend ticket staying offsite
Includes lunch and dinner meals (excluding Gala Dinner) and activities. No accommodation included

Tickets for the above categories are further broken down as:

- Adult (ages 18+)
- Child (ages 3-17 years old)
- Infant (0-2 years old)

If you wish to attend the reunion Gala Dinner and Dance on Saturday this will be an additional cost that you will need to purchase when you make your ticket booking. If you do not wish to attend the reunion dinner and party, then there will still be dinner available for those that don't attend this.

Why do I need to book the Gala Dinner as an additional ticket?

Throughout the earlier years, the Gala Dinner was likely included as standard as the reunions were much smaller due to less year groups celebrating their decade reunion. The cost of the Gala Dinner was always included as part of the reunion ticket, which also didn't allow for flexibility for those not wanting to attend the dinner.

By adding the Gala Dinner as an option to book, this allows more flexibility in choosing whether to attend the dinner, and fits within our maximum capacity to cater for a Gala Dinner.

Can I attend the Gala Dinner without booking a reunion weekend ticket?

No, to attend the Gala Dinner you must book this alongside the reunion weekend ticket as there is a maximum capacity that we can accommodate for the Gala Dinner. If you purchase a Gala Dinner ticket

without the reunion weekend ticket, the transaction will be automatically refunded minus the eventbrite fee.

Do the reunions make a profit?

Yes. The reunions are a much needed fundraising opportunity for the College and money fundraised goes directly towards supporting capital projects and future scholarships. After costs, any profit from the Gala Dinner ticket will go towards future scholarships.

Why are there no reunions for 5 years, 15 years, 25 years etc. this year?

The decision to not have 5th-year reunions was made by the Philanthropy, Engagement and Partnerships team some years ago. Given relatively low attendance levels at these reunions, we could not justify the required investment in terms of finances, time and human resources. However, with exception to 2022 - due to availability, if alumni would like to arrange their own scaled down reunions, hiring our dorms and booking a dinner, then as long as we have availability we would be happy to accommodate those in direct collaboration with the relevant cohort. Please [contact Magda Joshi, Events and Alumni Engagement Manager](#), to discuss further.

Can alumni from other years attend the reunions?

As long as they are a guest of other alumni, then that's perfectly fine. However, due to capacity limitations, regrettably we cannot allow alumni attendance without being a guest, as this reduces availability for those who are celebrating their actual anniversary which isn't fair.

What is the provision for alumni from other years to come onto campus in the summer 2022?

We will be hosting a range of open days throughout the summer - which mostly fall on a Sunday. Anyone is welcome to attend these. They are often launched around May time. You can find out more [here](#).

Are there any plans to allow alumni who are unable to travel to the College this summer to join a part of the celebrations remotely?

Yes, the 11am Saturday presentation by UWC Atlantic Principal, Naheed Bardai, and members of the Leadership Team will be live-streamed.

COVID

What if the event is cancelled due to COVID?

If we need to cancel the event due to Welsh Government COVID regulations, we will issue a full refund in GBP via Eventbrite including the administration fee. Please note, due to exchange rate fluctuations,

this may be a different amount to what you had paid. UWC Atlantic cannot compensate for variations due to exchange rates.

What if I cannot attend due to COVID imposed flight/travel restrictions?

If you need to cancel due to travel restrictions, we can offer a full refund of the fees paid to us if cancelled before 31st March 2022 - this is minus the Eventbrite administration fee.

For cancellations after this time due to travel restrictions, we cannot offer refunds unless we are able to resell your ticket. Therefore, we highly recommend you have adequate travel insurance to cover this circumstance.

What if I cannot attend due to testing positive for COVID?

If you test positive for COVID you must not attend the reunion weekend. Other guests booked who are in close contact with you (i.e live with you), will be determined whether they can attend by the Welsh Government regulations at the time. Please note you will not be refunded if you cannot attend (if you notified us after 31st March 2022), therefore we recommend you have adequate travel insurance to cover you in this instance.

Will I be tested on arrival?

We will follow the current guidelines from the Welsh Government at the time. If there is a legal requirement to test on arrival for the event then this will be covered by the College. In the event that you are required to provide a test result for any other reason (e.g. for travel) this will need to be covered by the individual.

Can you provide PCR or Lateral Flow testing for return flights home, if required?

No. You are required to arrange all flight/travel testing yourself which can be arranged at most airports.

ACCOMMODATION

How are bedrooms allocated?

When you book, we will allocate you a bed in a shared dormitory (most of which are 4 to a room). You will be allocated a bed in a dorm of the same graduating class, however if capacities do not allow, you may be in a dorm or house with other class years.

Can I choose who to share a dorm with?

If you would like to share with others, you **MUST** book together via Eventbrite. We cannot accept requests for shared rooms.

For bookings of 3 or less this is not a private room, you will likely still have others allocated to your room to fill the remaining beds.

Are dorms mixed genders?

Primarily, we allocate floors to different genders. On the Eventbrite booking form, you will be asked if you are happy to share with someone of the opposite gender. If so, you may be allocated a room with others who are happy to share with other genders.

Regardless of whether your dorm is mixed gender, please only use the shower/bathroom facilities that are assigned to your gender. This may be on a different floor to your dorm.

Can I book a private dorm?

Unfortunately, due to the high demand of people wanting to stay on campus to experience the weekend to its full potential, we cannot book our private dorms that leave beds unoccupied. If you are a party of 4 people wanting to stay together, then this will be possible (subject to availability) if you book all guests on one Eventbrite booking.

Will I be able to stay in my old dormitory or house?

Houses are allocated by year group or for families. As such, it is highly unlikely that you will be in the same dormitory as when you lived at UWC Atlantic.

Do families stay in a different house?

Yes. Anyone who books a child or infant ticket will automatically be allocated a dorm in the 'Family House'. Dorms in the family house are not shared with other families.

How many people can the family dorms accommodate?

Family dorms have 3-4 beds and space for a travel cot. If your family is larger than 4, you will be split between two dorms. To do this, you are required to have 1 adult in each room (i.e for a family of 2 adults and 3 children, 1 adult and 2 children will be allocated the one room and 1 adult and 1 child in the other). If this does not work for your family numbers, we suggest booking accommodation offsite as our facilities are limited.

Can my children stay in the family dormitories and I stay with my year group?

This will not be possible. If you are attending the reunion with your children of 17 years and under, you will need to share a room with them in one of the family houses.

My children are 18 years and above, will I be in the Family House?

No - if all your children are aged 18 plus, you must book them an adult ticket and you will therefore be allocated beds in the main houses. If you wish to stay together in a dorm, please ensure you book

together on one Eventbrite order. Please note if you are a party of 3 or less, you will likely have another guest allocated to your room.

Do you provide a travel cot?

No. We cannot provide a travel cot. Please ensure you bring your own.

Are bed linen and towels provided?

Bed linen is provided but towels and toiletries are not.

What is included if I book the camping ticket?

Pitch your **own** tent and sleep under the stars on campus! The camping ticket allows you to bring your own camping tent and equipment to camp on our grounds and use our shower and toilet facilities nearby. Please note there is no access to power.

What is included if I book the caravan ticket?

We will offer an allocated place for caravans to park. Please note, there is no electric hook up, water connection or waste disposal available. Please ensure you provide estimated dimensions of your caravan/motorhome so that the space we allocate you is large enough.

Do you recommend any off-site accommodation?

Please find [here](#) a list of accommodation in the Vale of Glamorgan.

MOBILITY

I have a mobility issue, can you accommodate special requests?

If you have a mobility issue, please make us aware when you make your booking or email reunions@uwcatlanticexperience.com and we will do our best to accommodate your request. Whilst we can accommodate many mobility issues, due to the nature of the Castle campus some areas are not accessible to everyone. Guests with wheelchairs, electric scooters, crutches, walkers etc may not be able to stay in or visit all buildings on campus and we apologise for any inconvenience.

CHILDCARE

What levels of childcare are you providing during the weekend?

We always welcome children to our reunion weekends. There will be a number of child-friendly and outdoor activities on offer for a range of ages on Saturday, but we need to highlight that this is not childcare provision. depending on the activity and the age of your child, you may be required to stay with

them whilst they are doing this. If the activity allows you to leave your child with the activity organisers, we ask please that you collect your child promptly at the end of each session.

Can children/infants attend the reunion dinner?

Due to capacity limitations, children and infants are not able to attend the Reunion Dinner on Saturday evening unless they are over 18 years of age and hold an adult ticket. This is with the exception of anyone who is breastfeeding who is able to take their infant with them.

CATERING

What catering and refreshments are provided?

Guests staying onsite (houses and camping) will be provided with all meals during the weekend (excluding the Gala Dinner Dance booked separately). If you do not wish to book the Gala Dinner Dance, dinner will still be provided in the Dining Hall.

Those staying off-site will be provided with lunch and evening meals.

Light refreshments will be available throughout the day and you will have the opportunity to purchase additional snacks and beverages from our bars.

Can you cater for special dietary requirements?

Please let us know when you book your ticket of any special dietary requirements you have. We can cater for dietary requirements when notified ahead of the reunion weekend.

I am bringing my infant, do you have any highchairs?

Yes, we have several highchairs that will be available for use in the Dining Hall.

Is the Reunion BBQ on Saturday open to non-resident Reunion participants?

All Reunion attendees are welcome, regardless if they are staying on campus or not.

Will there be an official photographer for the weekend?

We love to capture all the highlights of our reunion weekends, and if you've been before, you'll know that we always have photographers. So just to let you know that there will be a photographer present during the reunion weekend - taking the 'official' photos as well as the 'unofficial' ones. We will do our best to retrieve lost items and reunite them with their owners, but we cannot be held responsible or accountable for lost or stolen items. Any items left after your departure may be posted to you, but we will ask you please to cover the cost.

We're sorry, we don't have cash withdrawal facilities on campus; the nearest [ATM](#) is Llantwit Major. Our bars will accept Visa/Mastercard payments and we recommend you pay via card where possible as we aim to reduce the amount of cash on campus, as well as for COVID reasons.

Will the College shop be open?

Indeed it will. There will be a range of branded gift items on sale in Atlantic Emporium, the proceeds of which go towards various initiatives in the College. The Atlantic Emporium college shop will also be a centre point for information during the reunion weekend.
